Your Web browser is not enabled for JavaScript. Through the
staging and presentation of the artwork produced within the
Studio Structures, students learn different but supportive
skills that provide a broader context for understanding the
purpose of art, and for deepening their comprehension of the
studio habits. Like this presentation?

education by Lois Hetland; et al.

Transferitselfisoneofthosephenomenathathasmanysightingsbutnodefin
Hetland and Winner are correct: this approach can only be
valid if the arts enhance academic achievement; without
supporting research for the instrumental arguments—this model
fails. Christine rated it it was amazing Jun 10,
