Finally, Riesling is supremely ageable thanks to its naturally high acidity, which conserves its freshness for years. The Mosel river dominates the geography of the region which is typically divided into three main sections. In view of the effort that goes into producing wine from the Mosel's steepest, most inaccessible sites, prices are almost ludicrously low - except for the best sweet BA and TBA rarities Understanding Mosel Wines generally sell at highly publicised auctions.

However, in andthe negative trend in total plantations has been broken, and the Mosel Understanding Mosel Wines surface has seen a small increase of 59 hectares acres in two years. The cost of transporting wine up from the Italian Peninsula or across the Vosges Mountains and the Roman vineyards in Gaul was very high and impractical. Their wines also greatly impressed us last year, so their triumph is no fluke.
