If you love urban fantasy with a side order of romance, please check out the Shades of Fury series. And second, the sheer number of joyous possibilities encased in that simple little Venn diagram setup. This site uses Akismet to reduce spam. Although the novel is not bad, it lacks a single realistic, credible character for the reader to engage with, and the plot Urban Fantasies Book 2 vague and unfocused. This is a great science fiction thriller, with loads in here for any reader who likes super heroes, detective stories or action to enjoy. A gifted artist, she attends art school by day, prowling the streets of Prague with her friends and enjoying the world at large. What she found was a vampire who swept her into the darkest depths of passion. To save the mages there who are slowly dying from magical poison.
