Powerful sorcerer, related to the Goblin King's family. Just what Quentin has stolen remains a mystery, but it soon becomes crystal clear every agent of evil in the vicinity would like to get their paws on it. Mostly because it went into "tell" mode.

In the opening scene of the book, she and her rake of a cousin Phaelan find them

This problem is often made worse by a marginal design. Your review makes it seem like such fun I especially like the different goblins description!

Words cannot do this album justice, but here's a feeble try: sublime guitar pl
