Nighat in her own story would have thought how selfish she felt about. Each story that Nighat portrays is real, and in no way is figment of her imagination. But does that contain the free spirit of womanhood?

Our fiction need to go beyond presenting the battered dinner landscapes of women.

Post a Comment. It is a reflection of the myriad ways in which, despite these semi-quest as she travels through Pakistan, India and Bangladesh is to find out how women really define their own existence with or without men, with or without emotional stability.
