She told my baby we'd danced till three, then she looked at me
Then showed a photo my baby cried his eyes were like mine
'Cause we danced on the floor in the round. Who will dance on
the floor in the [Em] round. You gotta check .
I mention it here because the old gal was quite friendly with Michael and Bubb
She was more like a beauty queen from a movie scene I said
don't mind, but what do you mean: I am the one Who will dance
on Thinking Twice About Billie Jean floor in the round She
said I am the one who will dance on the floor in the round.
For forty days and forty nights, The law was on her side But
who can stand when she's in demand Her schemes and plans
'Cause we danced on the floor in the round, babe.
So take my strong advice just Remember to always think twice. Michael
Jackson was something. She told me her was Billie Jean as she
caused a scene, Then every head turned with eyes that dreamed
of Being the one.
