Leaders and commanders at all levels should add both formal and informal recognition programs for innovative ideas, particularly for those which create efficiencies and exemplify cost-consciousness. Without realizing it, I spent the first nine months of CGSC building the vocabulary and passion to address issues that I had previously struggled to articulate. Morgan, Matt. HomeBooksHistory. The Congressional Budget Office projects that annual interest payments on the national debt will soon exceed the defense budget. The nation was too young and immature – and its government too feeble and inexperienced – to prosecute a major war efficiently. See All. Therefore, the overall geopolitical imperative for the US remains preservation. There is a distinct difference, at least at the tactical level, between "increasing wealth for shareholders" and achieving military objectives.
