He devoted six years to intensive research in Mark Twain Archives in Cambridge, Washington, Hartford and New York, and has produced a well documented and fascinating. In memory of Wayne Mark, Sr.

The resulting book might receive the serious attention it deserves. The Asse  
When you see me, you know me. Now You See Her. Blood and Weeds.

It is not about important treaties, famous chiefs, or tribal governments. The buffalo and black-tailed deer are gone, and our Indian ways are almost gone. But it's also clear that the Native team itself has unique qualities that white managers wouldn't see.
