I know plenty of people have made it both ways with success and I used it in this cake. If we don't the cupcakes taste like stale brick muffins. It came out perfect!

Howdoyougetgreatcupcakerecipes? For convection cooking you should reduce the cook time sometimes as much as ten minutes or if the recipe calls for for 15 you might want to try it at I usually keep them on the counter, but if you choose to use an all butter frosting, they are probably best refrigerated.
