He is the world's foremost expert on peak erotic experiences, including real-life encounters as well as fantasies. It was easy to see The erotic mind was suffering from a love depression based on the belief—shared by all the women in her family—that men are incapable of loving women, and therefore she was doomed to a life of dissatisfaction.

You just clipped your first slide! As I pondered I was intrigued by the ever-changing shapes of the swirling clouds overhead. Her reaction turns me on so much that I thrust faster and faster, coming, coming until I collapse on top of her, spent. Record your observations in your journal.
