What men say while they are acting are themselves facts, as distinguished from opinions about facts. The book is widely credited as the first work of legal scholarship from an originalist perspective, although some originalists disagree with the conclusions Berger draws from the historical record. Thus, in Texas v. U. During the great Depression, however, the laissez faire tenet of self-help was replaced by the belief that it is peculiarly the duty of government to help those who are unable to help themselves. Worst, U. Getz, U. Send this to a friend You email Recipient email Send Cancel. This raises the question as to what limiting principles are available in evaluating future arguments based on personal autonomy.
