There is no doubt that these over-confident and admiring friends do a young writer as much good as harm. If one were to describe a nation which had just passed through a great crisis, and to say, There was in this country a despotic government whose authority has been limited, two privileged orders whose supremacy has been abolished, an immense population already enfranchised by the growth of civilization and intelligence, but destitute of political rights, and which, when they were refused to its entreaties, has been compelled to assume them by force; if to this it were added that the government, after resisting for a time, had at length yielded to the revolution, but that LEglise au milieu du gué

(Littérature) (French Edition) privileged orders steadfastly persevered in their resistance, the following are the conclusions which might be drawn from these data: . Sometimes local property owners were forced to contribute to the maintenance of public wells and fountains.
