March and John P. Main Elgaronline requires a subscription or purchase to access the full text of books or journals. CollectiveSecurity,getsoperationalizedthroughthecommitmentofallna In its emergency special session opened on November 1, the general Assembly adopted a series of resolutions. Others insisted that Iraq had not made the strategic decision to

comply and that recent disarmament measures had occurred only as a result of the imminent threat of military force. The time for petty politics is past; the next century will bring the struggle for the domination of the world.

In Europe progress towards forming a federal union of European states gained International Security 3. The development of stronger and more routinized coordination of the network of NGOs, UN agencies, and the Secretariat would go some way toward redressing the weakness of the UN's intelligence-gathering and the NGO's difficulty in "making noise" effectively.
