Salinger or Harper Lee of our times. He tried to describe it by analogy - it was like Plato's doctrine of reminiscence, or like the moment when the hero of Conrad's "Youth" reaches the East, or like Napoleon's realization that he was born to be a soldier - but invariably fell back on the language of eros. It is hard to judge how sexually explicit they were, some witnesses maintain. In a cloth-covered box, the physical treasures of Susan Freeman's life quietly stand as a monument to love. Apr 26, Kevin rated it it was amazing Shelves: memoir. All in all, a beautifully written and affectionate memoir. In the presence of such exalted personages, the women in the Palace are all equal. Christian Science Perspective.
